

2021 Hagerty Island Adventure

Supplementary Regulations

Entry, Vehicle, and Event Information

August 20-22, 2021

Vehicle Acceptance & Preparation

Introduction

The Hagerty Island Adventure is open to sport, touring and classic cars from 1979 and earlier. Sorry, no motorcycles on this event. All vehicles attending the Hagerty Island Adventure are expected to meet legal roadworthiness standards at an absolute minimum. Generally guests should ensure their vehicles are ready for a long weekend of driving through back-country and winding roads, keeping in mind that short jaunts around town may not fully prepare your vehicle for long hours of remote highways. **The event and route book are planned around a 100% Tarmac adventure.** Interesting gravel roads, however, are available should entrants wish to pair up and travel without sweep support. The route book will suggest gravel travel options for each day, should entrants choose to maximize their adventure!

Please Note: Special for 2021

Registration, capacities, hotels, dining, and cancellation policies may be different for this event vs. our regularly scheduled events. Please be sure to read through this document carefully, as it contains all of the policies for this event.

The Delorean Rule

Vehicles made after 1979 are considered on a case-by-case basis, under a rule we call "The Delorean Rule". If you think your post-1979 car fits within the spirit of our events, simply enter as per normal and ensure we have some photos and background story on the car. In previous events the Delorean rule has been used to enter plenty of vehicles, including a '50s International, an 80's Ferrari 308, a beautiful 80's Mercedes, more than a handful of Porsche 911s, a Noble GT, a Ford Zepher with an amazing family story, an original Audi Quattro, the list goes on...There are quite a few wonderful cars which don't meet the 1979 or earlier rule! The Delorean rule does have one additional requirement: If you enter a vehicle under the Delorean rule, you must be willing to let CCA's Dave drive the car at some point. Originally intended to one day give him a chance at driving a childhood dream car (the Delorean), it's become quite fun to experience other vehicles of distinction.

Registrations

The current climate of uncertainty surrounding group events, hotel bookings, and the competition for event space made organizing the Hagerty Island Adventure very challenging. Our maximum number of participants (including organizers) for this event will be 70 people, based on the hotel space we've been able to secure. We will accept registrations as per normal, on a first-come, first-served basis. Entries for this event must have a running, ready to go, car listed on their registration. With the truncated time schedule, we cannot accept "TBA" car selection.

Our entry list will be filled as follows:

- Entry opens to 20 cars. Remaining cars go on the waiting list.
- Additional 10 spaces opened onto the event, as soon as Government regulations allow (could be as soon as July 5th.)
- Maximum event capacity 30 entrant cars. If we are able to accommodate more space, we will continue to open

Off-Site Hotel

Our Friday night hotel is currently over capacity, but we have five rooms booked off-site. If you wouldn't mind staying 900m away (2min drive), and committing to having a designated driver for dinner, please let us know on your entry form. Perhaps let us know your preferred car number at the same time, and we'll see what we can do! We thought having five cars off-site was a much better option vs shrinking the size of the event. The entire group will be together for Saturday night at the same location. If hotel rooms open up in our primary location, we'll be moving these spots back to the main hotel.

Vehicle Preparation

First year entrants *must* read the [CCA Vehicle Preparation Document](#). It contains details about the vehicle preparation we expect, spare parts you must carry, and our reasons why they are required.

For returning guests, here is a quick reminder on the basics:

1) A Vehicle Inspection Form is required to be completed for your entry vehicle.

- *Vehicles which "fail" the inspection form, for any reason, are not necessarily barred from entry...*it simply means you need to discuss with the CCA organizing team (before the event) your specific vehicle and issues.
- Inspection forms are valid for 30 days from completion, to ensure we've got a current and accurate check. Thus, you will need to plan ahead for completing the form sometime in March or April.
- The inspection form can be found here: [CCA Vehicle Inspection Form](#)

2) At registration the organizing team will check for the following mandatory items:

- Minimum one (1) roadside warning triangle. Triangle must have reflective sides 30cm or larger per side. LED light-up triangles (without reflectors) are no longer acceptable. You can purchase correct warning triangles from the following sources (linked to the products):
[Amazon](#) [NAPA](#) Lordco (order Grote #71422, a set of 3 Triangles)
- Proof of current insurance and driver's licenses.
- Vehicle inspection form (if not previously submitted).
- Fire Extinguisher.

The above items *must* be removed from the vehicle and carried to the registration desk. This assures your team that they are located in an easy to access spot, not buried as the first packed item in the trunk. What good is a fire extinguisher, if you can't get to it?

3) Vehicles Spares Kit:

Based on our experience running over years of events, we've created a vehicle spares list which *every entrant in the Hagerty Island Adventure is expected to carry*. For most vehicles the following kit will fit into a small package. While we consider these items to be 'mandatory', we do realize some of you are going to choose not to carry them, or share the kit amongst multiple vehicles (example: three MGA's conspire to carry one fuel pump, one ignition coil and one set of points amongst the three). Rather than police the kit, we're simply going to state the following:

If you have a failure at the side of the road, where a mandatory spares item (which you aren't carrying with you) would have you up and running, our sweep crews have been told to shake your hand, exclaim "Good Luck!" and motor on to the next entrant's failure.

Thus, your level of "adventure" is self-chosen.

The vehicle spares kit consists of:

- Emergency electric fuel pump, spare fuel lines and wiring so you can emergency-connect it.
- Points and condenser, Ignition coil.
- Timing information sheet. The timing information sheet should have the following details: Static timing, maximum advance, where the timing marks are located. You can find these details in your factory repair manual, a Haynes manual, or by asking your engine builder.
- Spare nuts & bolts fitting your vehicle (a sandwich-sized Tupperware container).
- Tow Strap, Tool Kit, Fire Extinguisher.
- Spare Tire.
- Snacks and Water for the crew. Water for the radiator if you have one.

Event Schedule ***Subject to change**

Saturday July 3rd, 2021

- Entry forms posted, entry opens.
- 30 cars accepted via email system.

Tuesday July 6th, 2021

- Entry list posted.

Thursday August 19th, 2021

Location: Duncan, BC

- Early Registration open on Thursday Evening. Hours to be confirmed.
- Thursday night dinner and drinks plans to be determined...

Friday August 20th, 2021 **Duncan**

- | | |
|-------------|--|
| 8:15-9:00am | Registration open for those who missed Thursday evening. |

Sunday August 22nd, 2021

8:15am All-Participants Meeting (*Mandatory Attendance*)
8:30am Depart Start
1:30pm Arrive at Finish location, lunch provided (Campbell River)
3:00pm Departure

Accommodation

Included with your entry to the Hagerty Island Adventure is one hotel room per car for both Friday August 20th, and Saturday August 21st, 2021. Thursday night hotel accommodations are available as an add-on fee for those coming from out of town. The organizers will cover your room fee and taxes, and rooms are provided either with two double beds, or a single queen bed. Single king beds and double queen beds will be provided wherever possible. Additional rooms, upgrades and special requests will be accommodated as possible, with all additional charges being the responsibility of the entrant in question. Should you wish to travel with a four-legged companion, or perhaps your child, please be sure to indicate it on your entry form. Please note we don't guarantee dining venues are "minor friendly." Where possible we will accommodate, and advise accordingly.

A credit card for each car will be required upon check-in at your hotel. Your credit card, and thus you, are responsible for your damage deposit, incidentals and your co-driver who just raided the mini-bar. Unfortunately the organizers cannot provide damage deposit coverage for any participants, we're worried enough about our own co-drivers and their love for mini-bar snacks!

Meals

For 2021 the organizers will be providing dinner for Friday and Saturday evenings, and lunch at the finish. Each entry includes the listed meals for two people. Since we're a company offering driving tours, you probably won't be surprised to hear that we do a cash bar with our dinners. Dinners are always provided on site at the hotel, within a short walking distance (less than 1km) or transportation will be provided. Please ensure you indicate any dietary restrictions or allergies on your entry form, we've got a great track record of accommodating requests...when we know about them ahead of time.

Sweep and Vehicle Assistance

Our events are modelled after a time where motorists were somewhat self sufficient, and knew a little bit more about their vehicles than just "it has bluetooth and a coffee maker" As such, driver's and co-drivers are expected to be the warning lights, eyes and ears for problems with their vehicle. It is advisable that you know in which end of the vehicle the engine can be found, and how to check basic items such as fluid levels and what to do if it won't start in the morning. Entrants should be prepared to handle minor problems on the roadside, or at least be friendly enough to convince others to render assistance when needed.

Should the unthinkable happen, and your vehicle is unable to continue on the event, each entrant is protected by the Hagerty Roadside Assistance package (regardless of your insurance carrier). The event roadside assistance package includes towing mileage designed to get you and your vehicle to a town with mechanical services. The towing mileage provided is limited, and aimed at simply getting your vehicle to a safer location than standing on the side of the road. The Hagerty towing service is provided as an emergency too, and is not for getting your car home, to your preferred mechanic or a major city centre...unless those options fall within the mileage limit outlined in the route book.

Robert and Jacyn from RWM & Co. (a Vancouver area restoration shop) have offered to provide sweep service for the event. The sweep team is equipped with a very knowledgeable classic-car restoration specialist from RWM & Co.'s restoration shop. Sweep vehicles follow the designated route, and do their best to ensure they haven't passed entrants as they stop for fuel, food or photographs. While full details of the sweep policies are included in our [CCA Vehicle Preparation Document](#), the following four points are considered accepted by all participants upon completion of your entry form:

- Sweep is NOT a white-glove mechanic service. Entrants are expected to begin diagnosis and repairs themselves upon discovering a problem. Should you not be mechanically inclined, we expect you to be friendly enough to make new friends by flagging fellow entrants down for assistance. If you require the help of our 'roving sweep' experts, we believe you should be rolling up your sleeves and getting greasy alongside them...even if it's just to hold the hood up, or cool our expert using your route book as a fan.
- Our sweep vehicles will stop for a total of 30min at each roadside issue. If your problem cannot be assessed within 30min (or repairs look like they'll take hours), Hagerty Roadside Assistance will be called.
- Entrants will be required to shorten their route if requested by our sweep teams. (ie: Go directly to the hotel via highway X, or "skip this next loop and travel ahead on the route via ____). This is simply done in an effort to have all entrants arrive for dinner each night in a timely fashion.
- Entrants who are travelling significantly slower than the posted speed limit may be passed by our sweep. This is done with entrants who (for example) choose to have many stops for photographs, or perhaps because they chose to enter a 36hp Beetle into an event traveling through mountains. Sweep will always stop to discuss the need for sweep to "continue moving on" before passing the entrant.

Note: The 'end of group' sweep crew will depart each morning 10 minutes after the driver's meeting concludes. Entrants who choose to pack their car, grab a coffee or otherwise delay their departure after the driver's meeting may find themselves traveling behind the sweep crews.

Decals and Event Graphics

Each entrant will be issued two Island Adventure numbered decals - one for each side of the car. We use a high quality, removable vinyl to ensure they'll come off your car with the least amount of fuss. Anyone with a quality paint-job should have no issues. Instructions are available at registration for our method of laying down the decals in a manner which minimizes the chances of paint damage. Use of event decals is mandatory, and they must be mounted in a way in which they are clearly visible.

Start and Finish Locations

This year the Hagerty Island Adventure will start in Duncan BC. Registration and driver's meeting times are listed for those who choose to arrive on Friday morning. Please note all participants (driver's and passengers) **must make the registration and driver's meeting** in order to participate on the event for the weekend.

Our event will finish in Campbell River, no later than 3pm. We schedule lunch for 1pm, and start our awards / finish at 2pm. We'll depart no later than 3pm. If you're booking a Duke Point to Tsawwassen ferry home, the 5:45pm boat should be no problem. If you're booking a Departure Bay ferry to Horseshoe Bay trip, the 5:00pm ferry will be tight, but the 6:15pm boat will be no problem.

Thursday Night Plans

Traditionally the event hosts an “unofficial” Thursday night gathering, where we’ve done a hosted group meal and get-together for an additional fee. In the interest of getting registration for the event launched, we haven’t yet determined a Thursday night dinner for our group. If we’re able to arrange for a group dinner, we’ll let each of our entrants know via email.

Registration Procedure

To reserve one of the limited spots on the 2021 Hagerty Island Adventure, simply download the event entry form, fill it out and **e-mail it to the CCA office**. Please use IA2021 Entry in the subject line, so we don’t miss your entry! Once we’ve compiled the entry list, we’ll send out an email to all successful applicants, along with a note for payment on the event. Payment for the Island Adventure can be made via e-transfer (preferred) or cheque. Entry emails will be considered on a “first come, first served” basis.

Dropping Off Registrations

In past years it became a bit of a tradition for some guests to drive their entry forms to Port Alberni, to the CCA office. In an effort to make entries fair for all interested parties, we are no longer accepting in-person registrations. All entries must be e-mailed in to ensure fair standing for all entrants.

Entry Fees

Base Entry Fee: \$ 875.00 CAD

GST (tax): \$ 43.75 CAD GST# 82583 6240 RT0001

Total Entry Fee: \$ 918.75 CAD. (\$755 USD)

Optional Thursday Night Room Add-On: \$156.45 CAD (\$149 plus GST) (\$120 USD)

Optional Thursday Night Dinner Add-On: \$ TBD if a group function is organized.

Waiting List

Traditionally the entry list for our events fill quickly. We strongly encourage you to enter, even if it looks as though things are “filling up”. Classic cars, and especially classic car projects, have a habit of not meeting scheduling expectations. Each year we end up with some last minute cancellations, and a chance to fill them with a lucky late entry. In some years we’ve gone twenty-plus cars deep on the waiting list, with each of those wait-list guests getting a spot into the event. We’ve even managed to fill a spot hours before the event began!

USA Entries (sorry!)

As the border is currently closed, with no confirmed date of opening, priority will be given to Canadian entries. The event will still accept entries from USA entrants, but you’ll be placed on the waiting list until regulations make participation possible. Our American friends are encouraged to instead enter our 2021 Hagerty Fall Classic, which will be starting from Tacoma Washington on September 10th.

Entry Forms

The entry forms will be posted on the CCA website July 3rd. They can be downloaded and completed using a PDF program such as Adobe Reader, or Apple Preview, or printed and filled out by hand. Please be sure we can read your handwriting clearly. By filling out and signing an entry form, you are confirming that you have read and agree to the supplementary regulations, and information contained within.

Hagerty e-newsletter

Hagerty puts out a weekly newsletter aimed at enthusiasts in the classic car world. The newsletter features market information and changes, links to videos of interest, stories, articles and events in your area. The 2021 Hagerty Island Adventure participants will have their email address and postal code shared with Hagerty so we can ensure you're setup on the correct list, and won't receive event information in Mississippi. The entry form includes a check box where you can opt-out if you prefer.

Cancellation Policy

Since we're handling your room and meal bookings, and due to changes in hotel booking policies, we find ourselves bound by unique cancellation schedules. Please ensure you've read the following carefully before entering, as the date structure is unique for this event:

Cancellations before July 15th

Cancellations before July 15th will result in a full refund.

Cancellations after July 15th

Cancellations after July 15th, 2021 will result in no refund, unless we are able to fill your entry.
